Start and finish points moved so that it removes the issue of riders congregating in the entrance to Whetsted Farm yard. The revised start is 0.14miles south of the previous one. This also allows riders to congregate in Whetsted road, off the A228 and to have a timekeeper's car at the finish point, which was not possible previously.

One further cycle event sign added at the start in Whetsted Road to warn traffic approaching from Whetsted.
