

# Course Details & Risk Assessment

**Course/Road(s) Assessed: A20**

**Course: QS/26**

**Date of Assessment: 29 January 2022**

**Name of Assessor: John Lonbottom**

**Course Description:** Start on the A20 in the layby 215 metres past Scratchers Lane opposite the bus stop sign on the southbound carriageway. Proceed south via West Kingsdown to turn at the RAB with the M20 slip road, at junction 2 (M).

Retrace on A.20, to finish approx. 40 metres from the clearway sign at the southern end of the first layby on A.20, approximately  $\frac{3}{4}$  mile from Farningham RAB on the southbound carriageway, alongside a clearway sign at a point opposite the field access, on the east side of the carriageway.

**Traffic Flows:** None for this course but this new course is just a shortened version of the Q10/27 so those figures are still valid.

**Course/Event History:** Request from Mick Morris to have a shorter course to avoid the first mile up hill start.  
Details supplied by him and checked electronically using the CTT online mapping.

## Key Identified Risks

Location	Hazard Detail	Risk Reduction Measures	Risk
General	Promotion time meets C.T.T. requirements and standards	Traffic counts	Low
<b>1. Start</b>	Adequate parking for timekeeper and riders awaiting start	Cycle event warning sign on A20 prior to start.	Low
West Kingsdown	Residential roads left & right	No Additional Measures	Low
<b>2. Wrotham Roundabout</b>	Riders turn.	<b>3 Marshals.</b> Cycle event sign on A20 from Maidstone & at M20 exit slip road.	Low
West Kingsdown	Residential roads left & right	NAM	Low
<b>Finish</b>	Parking for timekeepers car on opposite side of road.	Chequered board/flag. Cycle event sign on approach	Low

4 cycle event signs required plus a finish board/flag.  
2 marshals required at the turn.

### Updates:

9 January 2023 – Position of finish clarified by Richard Boxall, CC Bexley.

3 May 2023 – Following concerns raised by Mick Morris about the amount of traffic approaching the turn roundabout his suggestion of adding a 3<sup>rd</sup> marshal to the RA was added to Risk Reduction Measures at point 2.
