My apologies for “fat fingers” which meant some of the times had incorrect formatting which led to an error in announcing winners. This meant that Will Howse was not the count back winner of vets but I will still give him an equal prize.

Several riders have pointed out errors in the results which I have no explanation for, but appear to be time keeper issues. If you think your time is wrong please contact me and I will try to sort out with CTT.

(Note: Prizes are awarded on count back so only one prize per rider. Would winners provide PayPal account email addresses or BACS details to paul@winchcombe.net)

Winner of Gary Woodward Shield in memory of Gary Woodward awarded to first Chippenham & District Wheeler was David English.

A NOTE FROM THE EVENT SECRETARY

A huge thank you to everyone who helped make this event possible including marshals, event officials, timekeepers, starters and signing on. We had 5 riders under the hour on, which is good for the U86 course. Fortunately no one went off course this year although a couple of riders had punctures and I am sure they would add their thanks to Robbie for his recovery service.

And after revising the results I am please to confirm that Amelia Mitchell broke the course record for women with a time of 1:02:14, beating Charlotte Davis' time from 2021 of 1:02:37.

Course Records:

2021 - Jake Sargent – FTP Racing – 51:47

2022 – Amelia Mitchell – FTP Race Team – 1:02:37
