- ❖ Event Headquarters are at Westley Waterless Village Hall, near Newmarket (see link to map in course details for directions). Hall will be open at 12 noon. **The car park is for use by officials only.** Please park outside the HQ grounds and only to the east of Village Hall. Please park sensibly and avoid blocking the pathways by not parking on the verges. Obey the 30 mph speed limit in the village. Please give consideration to all other road users in the area so ensuring that we will be able to continue using these Headquarters. **This is especially important with regards to horses and riders, give way, slow down and leave plenty of room.**
- ❖ **NO CHANGING FACILITIES WILL BE AVAILABLE AT THE HQ.** Separate Toilet facilities are available for men and women.
- ❖ **NO SHOEPLATES or SMOKING in the Hall.**
- ❖ **It is also possible to park nearer the Start and Finish, in the road between Six Mile Bottom and West Wrating and the Veterinary Clinic has kindly offered the use of one of their fields for parking. THERE MUST BE NO PARKING ON THE GRASS VERGES EITHER SIDE OF THE CLINIC ENTRANCE AND THIS AREA WILL BE ROPED OFF.**

- ❖ **Static warm-ups are permitted. Warming up can also be done in the road leading to West Wrating but NOT on the race course.**
- ❖ **No more than three riders are allowed to queue at the start, so time your arrival accordingly. The Start Official is there to check lights and helmet as well as Pusher-off. Any clothing, bottles, etc, left at the start will NOT be returned to Finish or HQ.**
- ❖ **On finishing the race, riders should not stop at the finish but should sign out promptly at the HQ.**
- ❖ **There will be free tea and coffee and a wide range of delicious cakes at bargain prices at the HQ and full results will be displayed. Detailed results will be published on the relevant websites once all are confirmed. DO NOT APPROACH THE TIMEKEEPERS.**
- ❖ **No support can be provided if a competitor suffers mechanical difficulties. It is strongly advised that all competitors carry with them a spare inner-tube/tubular, pump and tyre levers if required.**
- ❖ **It is strongly advised that all competitors carry a mobile phone and take with them the telephone number of the event organiser. Please telephone the organiser if you have failed to finish the event.**

Riders are reminded that no competitor shall be allowed to start an event unless they are wearing a **HARD SHELL SAFETY HELMET** that meets an internationally accepted safety standard.

Riders are also reminded that no competitor shall be allowed to start an event unless such competitor has affixed to the rear of their machine a **working rear red light** and affixed to the front of their machine a **working front white light**; lights to be illuminated, either flashing or constant, and in a position that is clearly visible to other road users.

NO HELMET - NO LIGHT – NO RIDE

In order to obtain bigger fields, for 2022 the ECCA decided to open its races to all, although with preference to ECCA riders. Judging by some of the entries from outside clubs the appeal of riding the superfast E2 course makes the long journey worthwhile.

For those clubs that aren't affiliated and which are in our catchment area why not affiliate? There are certain conditions and these are explained in full on the ECCA website homepage.

Whether to continue this arrangement next year will be decided at the ECCA AGM on Sunday 16th October. Bigger fields mean more ECCA awards and the extra income means the Association can better support road and circuit races and track championships but member clubs do need to provide marshals.

For full details of future ECCA events and results of past events go to www.easterncounties.org.uk where you will find this information plus lists of officials and member clubs. You will also see details of the Bolton Fund which can provide financial assistance for riders in member clubs to achieve certain cycling ambitions.

LONDON EAST LOCAL REGULATIONS

4.7 No Warming Up by competitors on the course once the event has started.

4.8.1 Marshals placed to direct competitors off the main carriageways must not stand at the apex between the carriageway and the slip road, but should be located at the beginning of the slip road.

4.8.2 No U-Turns are allowed within sight of either the start or finishing points. Riders carrying out this dangerous manoeuvre are liable to disqualification from the event and further disciplinary action by the District Committee.

4.8.5 Riders are reminded that dropping litter (such as energy gel wrappers) is a criminal offence and offenders will be liable to disciplinary action by the District Committee.

RIDERS' NOTES

The event has been handicapped using the Standardised Handicapping System modified for ECCA events. Please notify Organiser of any improvement in PB.

No parking at the finish, other than timekeepers. Parking is available at and near the Event H.Q. and in the road to West Wrating.

Body numbers will be available at the Event HQ and must be personally signed for after reading any special course instructions.

All competitors are reminded to personally sign the signing-out sheet after they have finished, otherwise they may be recorded as DNF.

You may exchange your number for a free drink.

Your Safety

At the roundabout turn you should get to the middle of the roundabout as soon as it is safe to do so. If you ride on the outside of the roundabout you are at risk from vehicles leaving at each exit. You **MUST** give way to any vehicle from the right and you should **NOT** enter the roundabout if the way is not clear.
