

# NEW FOR 2023 CYCLING TIME TRIALS 'THE ICE BREAKER RACES' 4<sup>TH</sup> MARCH

**Jem Hadar & VTTA (Yorks) bring to you a series of TT races, 1st week of March to get your racing season off to a start, 'breaking the ice' metaphorically rather than actually hopefully.**

**We bring to you a series of races to suit those leaning to road racing as well as the seasoned TT racers, with a 2-up TTT event and a road bike only event to add to the regular TT race.**

**We've added a steel framed bike race for those wanting to go 'old school' although a brand new steelie will be just as suitable. To add we have a fixed wheel only event for those who enjoy the feeling of purity with fixed wheel gearing.**

**To add to the diversity of the event and increase the interest we've added a Tricycle only TT event on this safe course with wide roads and minimal traffic as well as a Tandem event, with our own multiple Olympic tandem champion often frequenting these roads as solo as well as on tandems.**

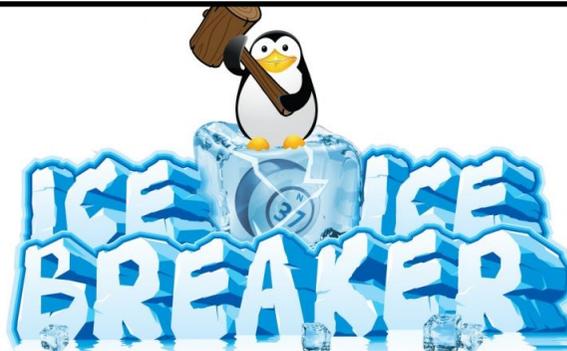

Indoor HQ and race control, with free catering

Separate Prizes for Each Event

Over 40's TT event will use new VTTA Age Handicap for Prizes

Enter on 'cyclingtimetrials.org.uk' only £13 / rider

Road Bikes Race part of Y.C.F. Non Aero League

The Course V212: A great course covering 10 miles. Well suited for an early season event, wide safe roads, a good turn with minimal disruption risk to your race and a short climb / drag of 100ft over 1.5 miles on the return leg.

Special Prizes for anyone NEW beating current CTT listed course records £50 cash per record :

TT Bike—19:31 Adam Duggleby Female : 00:21:56 Abi Smith

TT Bike Junior—19:47 Jacob Bush

Tandem 21:57 - Katherine Rigby-jones, John Rigby-jones
