To ride to the Start: Turn right upon leaving the HQ then turn left at the mini-roundabout and head up Petersfield Road, when you get to the Half Moon PH do not despair, the start is just a little further. Allow fifteen minutes to ride to the Start. The Départ is at the end of a poorly maintained Lay-By.

The area is a very affluent part of West Sussex but the “Pot-Holes” can be deeper than those in surrounding counties, so beware & avoid, that puddle could lead to a subterranean lake.

Course Description P877

Start in lay-by on A272 West of Half Moon pub and Woolbeding turning just short of “Junction” sign (Minsted).

Depart on A272 in the direction of Petersfield pass Stedham (on the right) going straight on until Iping Crossroads. Turn left signposted Harting (1 mile). Pass straight through Ingrams Green Junction (2.2m), Elsted Marsh and Treyford Turn (3.2m)

Straight through Elsted Village (4 m) and on to East Harting and Turkey Island (5.5m), it’s a bit “twisty turny” & on your left shoulder you will see the “South Downs”, curb your enthusiasm, you will be climbing them in about three miles time.

In South Harting Keep left, take care through village (6.2m) (**beware** of lots of parked cars as the residents of the village haven’t discovered driveways & car parks). Straight on through the village towards the church, at Junction Turn Left (6.7m) and up Harting Hill with National Trust Car Park at top of hill (we are not sure if any defibrillators are stored there) (7.5m). Straight down towards Chilgrove (11m), this is a very quick section & it does have corners, no head down riding.

At the junction with A286 sharp turn left (take care of oncoming traffic) towards Midhurst (14.5m), Through West Dean (16.2m). Take care through Singleton Village, bear left towards Midhurst (17.7m)

Straight on to Cocking Hill (20m) taking care at the foot of hill as the road bears right and through Cocking Village (20.5m). Continue on A286 to **Finish** opposite Royal Oak Pub Chichester Road Midhurst (22.5).
