THANKS

To all who entered, especially the 38 who rode.
We're reassured by a field twice the size that of five weeks ago.

Typically for central Monmouthshire, weather earlier in the day had been a caricature of Saturday Morning Shopping in Wales, but the afternoon was warm and sunny with a light northerly wind crossing the course. However, some competitors complained the wind seemed to vary in direction far more than the road did!

Although few riders entered both our events, most that did were at least 20 seconds quicker this time. Fastest rider overall, Chris Gibbard, missed breaking his own Course Record by 22 seconds.

With a relatively small field we didn't have the budget for VTTA prizes – so VTTA Results are just for fun. However there were a lot of strong rides, with age-corrected times of 32 minutes covering 3rd to 9th places alone. Tandem trike riders Mary and Norman were up there too – 3rd quickest on age-adjusted time (31:17).
