# ***THANKS***

To all who entered, especially the 29 who rode.

Half an hour before the start a heavy layer of cloud vanished, and many of those in direct sunlight were complaining about the heat.

Although a light NE breeze can be favourable on this course, the small number of PB's (6) suggest this wasn't a special day even though 2nd and 3rd places in both Women's and Men's events were among them. Many were disappointed the Shubert and McEvoy tandem didn't materialize to set a new course record.

Out of 8 club-teams-of-2 on the start sheet, fastest on aggregate was Velo Myrddyn CC (Anthony Jones 1:43:26 + Ben Phillips 1:54:49) with 3:38:15 - more than 15 minutes ahead of the 2nd place club team.

Well done all of you!

The quaint bucolic setting of the event HQ somewhat compensated for the tortuous access down long narrow lanes, though poor signal meant delays with the results. Apologies to all for these various inconveniences.
