HE P337 COURSE Please visit <http://timetrialscourses.co.uk/course/p337> for a closer look.

The course is situated on the border of the New Forest National Park around Bransgore and is a gem of a sporting course. The best 'drag' being Harrow Road, is nicely sheltered by hedgerows and has been re surfaced. Often overlooked in favour of the 'fast' courses, its actually good fun and the best bit is you get to do it twice as it's a 5 mile circuit. The roads 'roll' pretty well (and are no worse than any other course in the area) with a great start / finish straight. The descent of Thorney Hill can be enjoyed at a good pace, but keep an eye out for the odd rough section of road and allow a safe braking distance for the turn at the bottom. We would advise staying off tri bars for the last section of this descent before the turn.

Event Headquarters (Open from 7:15 am)

Event HQ is the Bransgore Scout Group Hall which can be found by sat nav at 23 Burnt House Lane, Bransgore, Hants BH23 8DD. The site is down the track next to house number 23. Normally the entrance is hard to spot, but it will be clearly marked by a club flag and sign. There will also be signs showing the way at each end of Burnt House Lane on the main roads. The hall which is on the left, is well equipped with toilets and a room to change in if needed. There is parking for a good number of cars at the HQ, most of it on hard standing. There will be a reserved parking area for officials directly outside the entrance to the hall, so please refrain from parking there. Please also respect the residents nearby by keeping the noise down. We do want to continue using this HQ!

Additional parking is available at the Holmsley campsite off Forest Road, about 2 miles from the HQ. Do not park cars near the start / finish area.

Hot and cold drinks are free to riders on return of number AND SIGNING OUT after the event, along with some savouries and of course cake.

Awards will be presented shortly after the last rider has signed out, so please do stay for a well deserved cuppa ☺

Signing On / Off

Signing on and number collection is in the main hall. Be aware that the new CTT ruling is in place regarding the requirement to 'Sign out' in person when you return your number. Failure to do this will result in a DNF being recorded so please do not forget. There will be plenty of notices around as a reminder. The signing on sheet now has an additional line for signing out so make sure you do the right one. *Junior entrants (under 18) must present a signed parental consent form which will have been emailed to you by the organiser.* There will be forms available for parents to sign on the day.

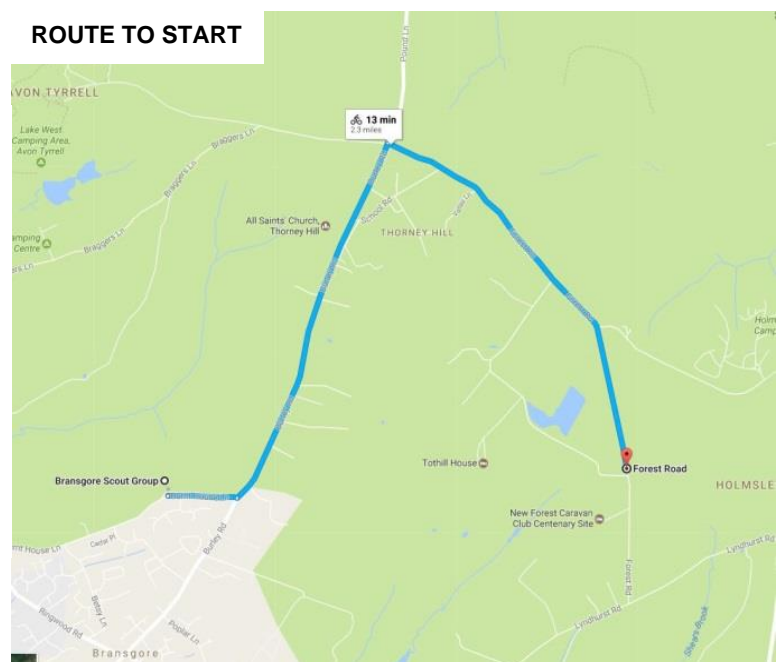

PLEASE MAKE SURE YOU READ THE EVENT NOTICE BOARD BY THE SIGN ON DESK. IT WILL HAVE IMPORTANT RIDER SAFETY AND COURSE INFORMATION ON IT WHICH MAY HAVE BEEN UPDATED.

Route to the Start from HQ

Turn left out of HQ and continue to end of Burnt House Lane. Turn left onto Burley Road and continue up Thorney Hill to the crossroads of Forest Road and turn right. Continue down Forest Road and the start will be on your right. Please turn with care into Black Lane where you can continue a warm up and safely wait to roll round to the start.

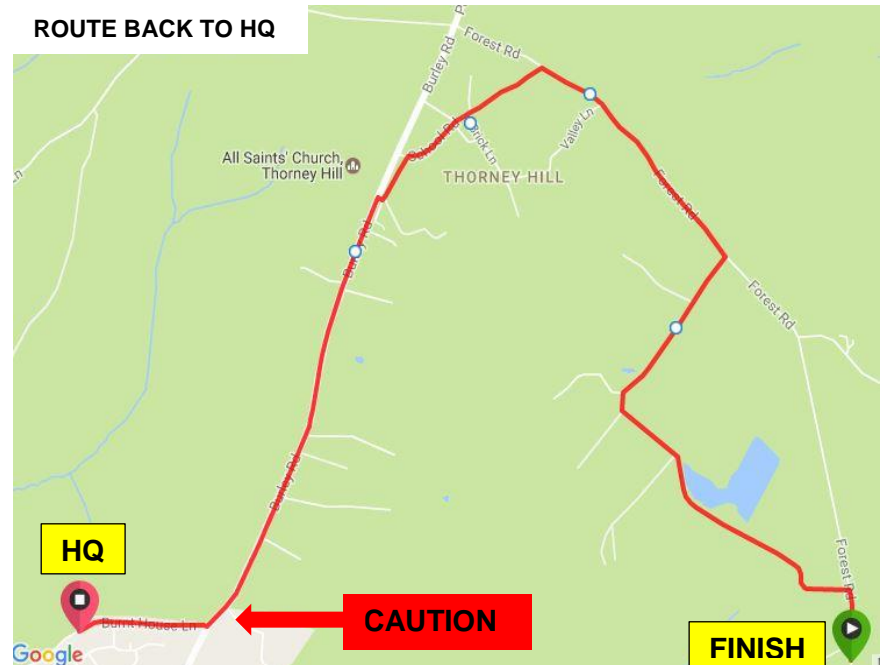

There will be signs on the way out of the HQ pointing you in the right direction.

Please allow at least 15 minutes to get to the start.

Route back to HQ from the finish

After finishing, carry on over the cattle grid (care) and take first left into Black Lane. Continue to the end of road to turn left onto Forest Road (check for approaching riders still racing). Take second left into School Road. At the end turn left onto Burley Road (check for approaching riders). Continue down Thorney Hill until you reach the right turn back into Burnt House Lane – PLEASE LOOK BEHIND TO MAKE SURE YOU DO NOT MOVE OUT ON DESCENDING RIDERS – IF IN DOUBT SIGNAL, PULL OVER, LOOK, AND THEN GO ACROSS.

This route is recommended to help avoid potential issues of holding up riders on the turn at the end of Forest Road. On the return to HQ please keep in and allow riders still racing to pass safely, and do not impede their progress.

Rider Photos

We are pleased to have Gabriel Bush Photography supporting this event to get some good action shots!
