Course: WE25/03 - description

The start is approximately 0.1 of a mile to the west of the roundabout on the A926 just prior to the A90 southbound. The start is approximately 0.7 miles (west) from the HQ. Proceed west to take the **first** exit at the roundabout to join the A90 towards Dundee. Proceed on the A90 to leave the carriageway at the next junction (A94 for Forfar and Glamis), pass the entrance to the McDonalds drive-through (**caution**), to take the **first** exit at the roundabout to pass under the A90 to take the **first** exit at the roundabout to rejoin the A90 northbound. Proceed on the A90 passing all junctions until you leave the carriageway at the first Brechin exit (A935). Cross the A90 flyover to take the **second** exit at the roundabout (**caution**, this is off camber and may be slippery if wet) to rejoin the A90 southbound. Proceed southbound to leave the carriageway at the A926 junction (Kirriemuir and Forfar). Take the slip road to take the **second** exit at the roundabout (**caution, you must give way if required**) to finish approximately 0.2 of a mile after the roundabout on the A926. Once finished proceed in the same direction to the HQ in approximately 0.6 miles. Please study the GPS map linked above to ensure you know the route.

Please exercise caution at the final roundabout and take no undue risks. You may be required to give way to traffic using the roundabout.

The course is signed and marshalled, but **it is the riders' responsibility to know the route and the exits they must take.**

Marshals, time keepers and other volunteers have given up their time to allow you to race, any abuse or aggression towards them **will** result in disqualification.

DO NOT approach the timekeeper for results.

Results will be provided after the HQ and also via email and social media later in the day.

Please note it is **mandatory** for you to have working and **bright** front and rear lights during the event, please ensure they are fully charged to last the distance and that the lights are bright and not a token gesture to the rules. This is for your own safety.
