## Incorporating the ECCA 25 Championship

Open 25 mile time trial promoted for and on behalf of Cycling Time Trials under its Rules and Regulations

**RESULT SHEET**      **Sunday, September 10<sup>th</sup>, 2023**      **Course F2A/25**

Organiser:      Chris Dyason (Cambridge CC) cdyason@hotmail.com 07970-093019

Timekeepers:      Tim and Wally Groves

Thanks go to Tim and Wally for timing the event and to members, family and friends of Cambridge CC and other ECCA clubs for all the other roles: Lucy Griffin (numbers and signing), Dave Yarham (start official), Kevin Hobbs (pusher), Jolyon Glynn, André Dyason, Peter Tibbitts, Matt Polaine, Ian Bell, Stuart Tait, Chris Owen & Richard Pratt (all marshals), Denese Hallahan (checking at CG), Sue Rogers (assisting timekeeper), Keith West (results display), Paula Dyason & Ann Shuttleworth for running the cakes and cuppas. A great team effort.

Congratulations to the prize-winners and to all those who improved their current personal bests, 44 of the 98 finishers! I think the early starters had the best conditions as the temperature rose during the event, but that didn't prevent some brilliant rides later in the field.

Thanks go to the DNS riders who sent apologies early, allowing me to place all the reserves by Saturday morning. No accidents or incidents during the event, always a relief for event organisers, and for once no abusive messages from motorists!

A special mention goes to the un-named tandem rider who turned up with 2 left shoes but no right shoe. Nice one Richard (oops).

Over the page is a list of all the money prize winners: 27 in total. As we operate the 'one rider, one prize' system it's worth checking the list even if you don't think you won anything. **MONEY PRIZEWINNERS – PLEASE EMAIL BANK DETAILS TO ME AND I WILL MAKE ONLINE PAYMENTS.**

Next year on the F2 courses we'll be running our open 15 in the Spring and the Viking 50 in June, then the 25 again in September. At some point we'll lose the F2 courses when work begins at Caxton Gibbet on the new link with the A1, but the current expectation is that that will be in 2025.
