A QR code to take you to the service will be on the sign in table. We should be in a position announce the winning times and hand out the top place prizes straight after the event. Please note that ESCA will be making a donation to a charity e.g. the Kent and Sussex Air Ambulance from prize money that is donated back to ESCA, and any unclaimed prizes.

### General Information

**Event Meeting Point** The signing on point is at the top of the climb just past the finish in a large public car park with far reaching views. Please be advised the HQ is an open car park and not a hall, there are no public toilets nearby. Please arrive ready to race. The sign in desk will be open by 09:15.

**Car Parking** Please do not park at the bottom of the hill. There is a car park at the top of the climb which should be used to avoid obstructing the signing on point and the South Downs Way. If you have bikes on the roof of your car, please be careful of the metal barrier at the entrance to the car park. For safety reasons drivers should wait until the event has finished before driving back down the course.

**Race Numbers** Race Numbers will be available at the signing on point at the top of the climb. Please collect your number when you sign on. **If pinning your number please only use the eyelets, and please do not use additional pins as it tears the numbers.**

**Additional Hazards** Notice of any additional hazards to be aware of on the course will be displayed next to the signing on sheet.

**Start** The start is about a mile from the signing on point on a very narrow road near two residential properties so please keep disruption to a minimum.
