## Course Description K41/10

SP 439 886 Start in Cloudesley Bush Lane (signposted [A427] Lutterworth) southeast of Wolvey island (Axe & Compass) at second last catseye on first layby on left. Proceed southeast

SP 508 839 At island at junction with A5/A427 Cross in Hand) Encircle island; taking **fifth** exit; to retrace 5.2 miles

SP 445 880 Finish at road drain on left just west of tree about 330 yards before driveway to Wolvey Heath farm 10miles

Please note - the turn roundabout has **five** roads, not four. It is tempting to take the turning immediately after the A5 but this leads to Pailton which is best left for another day. Our marshals will do their best to direct all on the correct route back towards Wolvey.

The coarse road surface on the eastern half of the course gets smoother each year with the benefit of a further 12 months of traffic. Most potholes have been well repaired. We will do our best to mark any hazards and advise riders - looking ahead is the best prevention.

## Who was Diana Cooke?

Diana was a keen member of Coventry CC through her teenage years and up to her untimely death at the age of 22. An ever present face on clubruns and at social events, often participating in club time trials. A very popular young lady amongst her peers, she was acting editor of the club's magazine 'The Milestone'. To date no one else has matched her success at cajoling articles from the other club members. Younger sister of prominent racing members Chris and Tony, if she were still alive she would be an aunt to Olympic and multiple world champion Nicole Cooke.

## Competitors Notes

The HQ at Wolvey School will be open from 12:30pm. Parking is to the rear in the playground - spaces at the side of the school will be reserved for event officials. We have a very large event this year so please park considerately. There may be a match at the adjacent cricket ground so please don't park elsewhere.

Numbers will be issued to riders at the HQ. In a revised procedure for CTT open events in 2017, riders must not only sign in to receive their number, but sign out when returning your number in person. You will receive a token which entitles you to a free drink after your ride.

It is approximately a mile and a half from the HQ through Wolvey to the start. Please allow sufficient time to be ready for the start timekeeper.

Cycling Time Trials recommend that a hard shell helmet meeting a recognised International Standard is worn - this is compulsory for U18s. Read Regulation 15 in its entirety. CTT also advise that a flashing rear light be fitted to all machines.

Please note this is an open (Type A) event and as such sleeveless tops are not permitted (Regulation 16) - "sleeves shall be at least mid upper arm length".

Supporters and vehicles - for the benefit of newcomers, if your friends and family want to watch you race, please ensure that any vehicles involved are parked considerately off the course and remain parked for the duration of your ride. Any vehicles on the course, particularly following or overtaking, may be regarded as an assisting vehicle and leave you liable to disqualification.

Handicaps have been set according to CTT charts on the basis of last year performance and other information where appropriate.

Veterans' standard times are using the revised 2013 VTTA tables.

I hope everyone enjoys this Coventry CC promotion and will enter other events of ours in future. As organiser I get far too much of the credit if things go well, so please thank some of the event's many helpers if you enjoyed it. If things weren't to your satisfaction, speak to me so we can get things better for future events.
