Organiser's Notes

Thanks go to the following people for their help during the preparation and running of the event: -

Andrew Brown, Francis Gallacher, Gordon Hart as Timekeeper, Graham Potter as Assistant Timekeeper, Paul Savage, those assisting at the finish line, the start line, the catering provided by Spoke Cycles CC, and all those who throughout the event provided an excellent service in their role as marshals. I would also like to thank Naomi Porter for processing the results at the event, and for producing the final results as an Excel spreadsheet.

I would also like to acknowledge the support provided by Stewart Smith from the CTT, for his invaluable assistance in helping to produce the start sheet.

Thanks also go to Spoke Cycles CC for allowing us to use their premises as the headquarters for the event, the provision of their catering service to allow food and drinks to be provided to all those involved with the event.

Finally, I would like to thank those riders who offered their apologies for not being able to ride in the event, to register as Did Not Start, as this is particularly helpful during and after the event, notably when dealing with the final results.
