

## **About The ...a3crg Goodwood Circuit TT League 2024**

This year the CTT Entry System has put all the riders together regardless of the machine you are riding. You just have to decide when entering whether you are on a Road Bike or TT Bike or dare I say, a trike!

However, there will be a combined result to fit in the “General Entry List” but in the “Full Result” we will split up the result similar to last year into 1: Road Bikes Open, 2: Road Bike Women, 3: TT Bikes Women & 4: TT Bikes Open for the purpose of the Goodwood TT League,

As we have just five evening events this year your best three highest points will count plus any bonus points awarded. Bonus points are awarded for Season “PBs” during the season i.e. beating the time you do at your first event (this season in the series). We hope you will enjoy the events & the competition.
