

## The Fontwell Ten Course P901/10

This course was one of the fastest courses in the South attracting many riders, however, club events stopped here a few years ago & one of the prolific organiser passed away with no one to replace him, Southdown Velo had kept the 10-m, 25-m & 50-mile courses alive but with the arrival of traffic lights at Fontwell roundabout the 25, 30 & 50 mile courses are no longer, only the 10-mile course survives.

Both Southdown Velo & Chichester City Riders are promoting events on the course this year, for those that don't know the course the steepest part is to climb up the interchange just west of Tangmere, it is a fairly flat course though you may need to use at least three sprockets!

First "Open" event on there this year is a Saturday morning on the 18<sup>th</sup> May promoted by Southdown Velo.
