On behalf of Penzance Wheelers Cycling Club and the South West District I'd like to thank all the riders for taking part in our event. I'd also like to personally thank all the helpers, marshals and time keepers that helped support this event (and the test event earlier in the year) – it really is appreciated.

We are really lucky in our district to have a very active cycling community and the invitation to host this round of the series was not just to reflect one clubs achievements over the years but that of the whole region.

It's been a pleasure organising this event and seeing some of the top riders in the country travel so far down to West Cornwall to mix it up with our local racers – many of whom will be inspired by their performances and I know that taking part in this event will encourage them to take part in other prestigious events like this in the future.
