VCC 25-MILE TT EVENT ON R25/7

PRE-EVENT INFORMATION

This is a running log of information that may be useful to riders, supporters and spectators. Please re-visit the event page on the CTT website to receive updated versions of this document.

DATE	TOPIC	UPDATE
21/6	Backup course	We intend and expect to run the event on the **R25/7** course, starting and ending near Usk. As is standard practice though, we've also registered the **R25/7a** course as a contingency – just in case there are roadworks or other issues affecting the intended course. Police notifications have been submitted for both courses.
