**Procedure for the Event:**

- ✓ *If you are not feeling well or you have left your wallet at home, please do not attend.*
- ✓ *If you have road race pockets for your number, please use the left-hand pocket to aid the finish timekeepers.*
- ✓ *Do not walk across the airfield, it is an active aerodrome, it could get rather messy.*
- ✓ *Look where you are going even during warming-up, keep your head up,*
- ✓ *If caught, ease back; do not take pace on the wheel of the rider who caught you.*
- ✓ *If passing a rider, please make sure the effort is enough to pass completely.*
- ✓ ***Last Lap**, stay on the Left inside the black Cones on the Finish Section, and please shout your number out as you finish.*

**Course Length 10 miles (4 & bit Laps) except for Event 3 ( 3 & bit laps - 7.6 miles)**

**The Start is at Pit Number 15.** After leaving the Pit Lane proceed with care onto the circuit keeping to the right hand side, bear right following the circuit. After passing a “Radio Mast” on your right hand side you will pass the finishing area, you are now starting your first full lap. Keep going right, then right, then a little wiggle at St Mary's, then bear right ready to go down the Lavant Straight (Big Gear). At Woodcote there are two rights then a left & you are now on the “Pit Straight” (Circuit), make sure you are in the middle of the circuit.

After bearing right, you are approaching the finish area, you have completed your first lap. You are now starting your second lap, after completing your second lap at this point, you will of course be starting your third lap.

After completing your third lap you are starting your fourth & final full lap. When you come onto the (Circuit) “Pit Straight” this fourth time bear in mind you need to keep to the left, so that you are in-line to go through the coned finish lane **to finish** (10 miles). **ON THE LAST LAP DO NOT CUT ACROSS THE CIRCUIT AT THE END OF THE STRAIGHT AT THE FIRST BEND (INSIDE TO OUTSIDE).** Please shout your number, it helps to keep the timekeepers awake.

**All Ten Mile times** set during this Open Event (unlike club event times) are “Official” & can be used for updating any PB’s, used for qualifying for National Championships, Veteran Standards, Age Group Records & the **“NEW” BBAR conditions for both Men & Women.**

If you do not finish, please let us know, do not wander off home in a sulk & please put your number in the bin provided at reception & sign out.

**Road Bike Behaviour: No “Puppy Paws” & if you need two bottles make sure they are full of liquid as empty bottles are a hazard & can drop out causing a bit of danger on the circuit.**

**For the “League Events” Bonus Points can be earned by beating your Goodwood Season “PB”, this is shown as “T2B” (Time to Beat)**

**The League will be split up between Road Bikes & TT Bikes Women & “Open” (similar to last year). League Bonus Points are awarded for Seasons PB’s (& for Age Group (virtual) Podiums**

**This is a 30 second Start Time Event, check your start time, late starts may not be an option.**

### COURSE CONDITIONS & PROTOCOL

We will be calling riders to the start area in batches of ten, please listen out for your number & be ready to go to the start area, it is YOUR responsibility to be in the undercover area in time to race (5min), bearing in mind you are going off at **30 second intervals**.

The start is approximately halfway along the pit (Number15) lane wall where you will do either a standing or held start. When entering the track please check for other riders, count your laps from the finish point) ignoring the chicane (This is a wall on the track, you must stay to the left of this wall while racing).

Whilst racing we request that you favour the right-hand side of the track & only overtake to the left of a rider in front. All riders need to check it is clear to overtake. There are two left-hand corners (St Marys & down the Lavant Straight) where this could be an issue.

We (may) have two marshals on motor bikes driving around the track, looking for lost riders.

**At the end of your fourth lap (10 miles it's a good idea to have distance on your device) you will need to finish in the finish area, this is on the left-hand side of the track & you will have seen the black coned off area on previous laps. Ride to the left & into this coned area to finish on the finish line, remembering to call out your race number. Finishing outside the coned area will not give you a finish time.**

Once you have finished, please cool down, riding tight to the left-hand side of the track respecting the racing line. Now the complicated bit! At some stage we need you to go to the right-hand side in order to come off the track, **but PLEASE do this on the Lavant Straight before the Woodcote corner so you do not affect any other riders, remembering to look before you change sides.** At the chicane you must stay to the right of the wall & exit the track. (No extra laps please)

**There are two Toilet blocks** in the Paddock to your left & right when facing the Pit area. The HQ is the Paddock area there is no Village Hut or free mugs of tea.

### AT THE END OF THE EVENT (Time Trial)

**As you exit the track through the gate proceed to reception to sign-out & return your race number, PLEASE. Don't forget to Sign out.**

**Turbo warm-ups are allowed** but please respect other riders' car parking. **There will be access to the track prior to racing. Please do not leave the inner circuit through the arrival tunnel, if you wish to warm up on the road, then please use the access tunnel to the right of the sign on area.**

Spectators are requested to watch from the viewing area above the Pit Lane (Not in the Pit Lane). Coffee, Tea & Cake may be Purchased from the **"HORSEBOX"** on site (we have been assured it will be open).
