THANKS

To all who entered, especially the 59 who rode. There were only 5 DNS's.

Weather was overcast but warm fine and dry, with a light westerly wind. Although the forecast included a 50% chance of rain, there was nothing of significance during the event. As usual on Saturday afternoons, traffic levels were fairly light.

Out of 46 finishers with an LTS, 20 improved (some of them, even on the podium, by several minutes). Those who rode the previous event on this course in May seemed quicker this time – so conditions may have been quite favourable.

Well done all of you!

The event suffered one casualty when Haydn Davies (Giant CC Halo Films) came off just before Raglan roundabout, a few miles from the finish. Though no other vehicle seems involved, he suffered concussion, broken ribs, and spent several days in The Grange University Hospital, Cwmbran. He's since been discharged and we wish him a speedy recovery.

AND THANKS ESPECIALLY

to everyone who devoted their free time to make this a successful event:-

Bob Jones, bike~pace (signage fixer)

Martyn Heritage-Owen, Bush Healthcare CRT (Start TK) with Bob Jones (Start marshal),

Tudor Thomas, Bynea CC (marshal & observer at the Mitchell Troy turn),

Robin Field, Cardiff Byways CC (Finish TK) with Fran Field (spotter & results transmitter)

Bob Jones (marshal at the Abergavenny roundabout),

Ed Malarczyk & Roger Sims, Cwmcarn Paragon CC (marshals at the Hardwick Gyratory),

Reg Pharoah, Cardiff Ajax CC (HQ steward)

Mark Bradley, Bristol South CC (Scoreboard & VTTA Championship Presentation)

Everyone else who offered to lend a hand.

HQ Arrangements -

Particular thanks to Melanie Mercer, Llanarth Community Council, for making the venue available.
