Message from Organiser:

After a lot of hard work from a lot of people, this event is finally over and went extremely well from my perspective.

As many of you who have organised events will know, it takes an army of people to run events and all those who volunteered have my gratitude – it couldn't have been with you!

Volunteers came from not just Manchester Bicycle Club but from clubs all over the District which just goes to show what an amazing community we have. In his speech Rob Bailey mentioned all those partners and families that help us

pursue our sport and I couldn't not mention my parents who handled the refreshments.

There are too many people and clubs to name individually, but I will specifically thank Congleton CC for their loan of some of the many signs that I needed to put around the course!

Bouquets for the winners were donated by Blooms Florist in Holmes Chapel – many many thanks for your Support!
