CAT – Age at 31/08/17

Firstly, a big well done to all competitors for getting yourselves to the start line and having a go! Fantastic! Secondly, well done on your superb performances!

Looking at those cracking times, on a notoriously slow course with THAT climb, I'm confident that those of you who have qualified will give a good account of yourselves in the 2017 National Youth Championship Final to be held on Saturday, September 9th in the South-East Midlands.

Your parents, your clubs and the South Wales District are proud of you so carefully ramp up your training during the school holidays and give it your best shot in the National Final and, more than anything else, enjoy the experience.

South Wales FTW!!
