Safety notes

Vehicles of competitors / officials / marshals / helpers to be parked safely and without hindrance to other road users. All riders are responsible for their own safety.

To access the start, it will be necessary to cross and ride a short section of the course. We are asking all competitors heading to the start to be mindful of other competitors racing and neither impede nor assist them, whilst also being aware of other road users. We suggest that all riders heading to the start turn off at Crowhall Roundabout and ride through the industrial estate (Crowhall Road and Nelson Way – for those that ride the Barnesbury CC midweek 10's – this is the normal route you would use to access the start. Please see map above).
