RESULTS AND AWARDS

THANK YOU

Thanks very much for entering the 2017 renewal of Acme Wheelers' 25-mile TT event. I hope you enjoyed your day, met some old and new friends, and will back with us next year. It was great to see so many entries this year with riders coming from far and wide – and so many were rewarded with an excellent race time.

Some facts and figures from this year's event:

- 56 riders improved on their LTS performance
- ... by an average of 2m 36s
- ... for a combined improvement of 2h 25m 23s
- 10 riders with times below 50:00
- 115 riders within "the hour"
- Kieron Davies' winning time of 45m 37s is a record for the Acme Wheelers TT event
- ... the record was previously held by Michael Hutchinson at 47m 00s

OTHER STUFF

We had a few Acme snappers on duty yesterday. It might take a day or two to collate all their photos but we'll make everything available for you online – so please make a few visits to the following places.

AND FINALLY

Thanks again to our timekeepers Tudor Thomas, Robin Field and Frances Field. Thanks to the Acme members and their families who gave up their free time to provide a safe and welcoming event for everyone. Thanks to every rider who joined us on the day. To all of you, CHAPEAU, without you there would be no event.

Until next year...
