A very hot day with some times a little slower than usual. Unannounced Traffic Lights caused consternation to the organiser but these were removed to allow an incident free event with some riders looking very hot on their return and very grateful for the cool of the Knowl Hill Hall. It took a Yorkshireman, Keith Murray, to record 19:51 to beat Liam Maybank into second place and win best on standard with 6.18 but Liam, with Martin Winter, gained the team prize for Twickenham CC.

Thanks to Jim Burgin, Geoff Perry, Chas Jepson, Brian Perry, Richard Partington, David Devine, Pete and Veronica Long, James Roberson, Derek Reynolds, James Park, Katie Guy, Alan Hodgson and Mick Fountain for making the event possible.

The Event Secretary extends his thanks to all riders for accepting the initial uncertainty about whether the event could start at all or on time and especially to the three Wokingham Borough Council employees who worked through their lunch break on a very hot day to clear the road so that he did not have to cancel his first event!
