Timekeepers

Chief Timekeeper: Mike Bannister
Second Timekeeper: TBA
Start Timekeeper 1: Annette Lacey
Start Timekeeper 2: TBA

HQ (Open from 07:45)

Cranfield University Sport Hall
College Road
Cranfield
Bedfordshire
MK43 0AL

There are full changing rooms with showers & toilets available upstairs above the entrance hall. A lift is available for those who need it.

How to get to the HQ

Cranfield is 3 to 4 miles from the M1.

From the north take **J14** and turn left then right towards Moulsoe. Continue through towards Cranfield and turn left to Wharley End & University. The Sports Hall is at the end of the road on the left. It's a big white box. Don't panic if you miss the left to Wharley End – continue on until the roundabout and turn left there.

From the south take **J13** and turn right over the M1 and at the roundabout turn right, under the A421 to Salford. Just as you enter Salford turn right to Cranfield, following the signs for the University (ignore other signs to Cranfield village). Go over the first roundabout and continue right and left through the Technology Centre. When you get to the mini roundabout next to the Murco station you will see the Sports hall on the left. It's a big white box.

For those coming north or south on the A1 when you get to the Black Cat roundabout turn onto the A421 bypassing Bedford and continue towards Milton Keynes taking the exit sliproad signposted to the M1 south. At the bottom of the sliproad turn right towards Salford and continue as above.

Car Parking

There is a new car park for the Sports Hall (the big white box below – car park is the grass area shown to the left below). Enter via Lanchester Road and there are extra spaces in Lanchester Hall car parks nearby to the west and on the road away from the mini roundabout south of the Sports Hall. Do not park in College Road or University Way and do not block anyone in. Do not park on the pathways leading to the hall.

Numbers and Signing-On and Signing Out

Please sign on and collect your numbers from the hall. You must return to the hall in person to sign out after the event.

Numbers

Both body and arm numbers will be used.

In accordance with Championship Conditions only numbers provided by the organiser should be used. Body numbers should be fitted in accordance with Regulation 16 and Arm Numbers should be fitted to the upper arm with the number facing **forwards** (not inwards or sideways).

Please fix with pins and not tape. Pockets if used must conform as above

To the start

From the Sports Hall turn left north through the University grounds along College Road. After approx. 1.1 mile you will get to the course. Turn right and after 60 yards turn left to go past the finish to the start. Please indicate to the timekeeper that you are simply riding to the start. The start is about a quarter of a mile from the junction. Allow up to 10 minutes to get to the start (at a decent 20mph average pace it would take under 5 mins, but it does drag a little for some of it).

Map of course

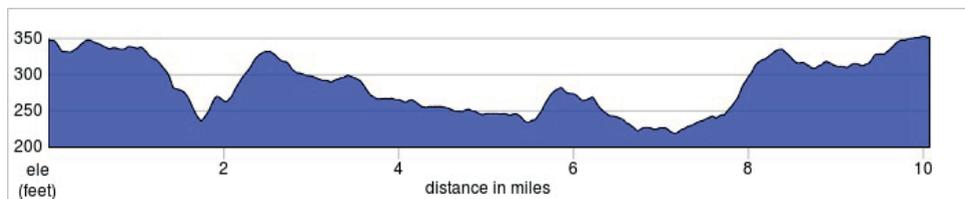

Start is at point A. Finish at point E (both points approximate). All riders will do 2 laps anticlockwise. 1 lap is approx. 10.2 miles so approx. 20.3 in total.

Marshals will be at Astwood, turning into their High St, and at the turn onto the A422. Both of these you do NOT have priority, and for especially the A422 junction (Point B above) care will need to be taken. Marshalls will also be at

Chicheley to turn you off the A422 (point C above) to take you to North Crawley. In North Crawley you will also have marshals at the junction (Point D above) to take you through the village – again you do not have priority so need to take care. To complete the circuit a marshal will direct you to turn left into Astwood Road where you will pass the finish timekeeper (Point E above). If you have completed only one lap then continue past the start (Point A) and do another complete circuit.

Once you have finished please do NOT do a U-turn in the road, but continue past the start and on until just before the bend through Bourne End to turn Right to Cranfield (take care not to impede other riders still racing) and once in Cranfield turn Right back to the circuit passing the turn into Astwood Road to turn left back to the HQ.

This course profile makes it look hillier than it is. But it is not flat as you can see. There is approx. 350 feet of climbing per lap (1 65m). Max gradient is around 5%.

LOCAL REGULATION No. 1

No U turns should be made in sight of the start or finish areas while riding on the public highway.

LOCAL REGULATION No. 2

Competitors, their helpers and event officials must use the toilet facilities provided at event headquarters as required. Fields and hedgerows must NOT be used for toilet purposes. Failure to observe this regulation may result in disciplinary action against those concerned.

LOCAL REGULATION No. 3

No cars other than that of the timekeeper(s) and other event officials are to be parked in the vicinity of the start or finish points.

Spectators

Spectators can view the event at various points along the course. Please do not disturb or block other road users, residents, etc. whilst supporting the riders. There are good viewing points just after Bourne End, about a mile after the start (conveniently there is a cyclist Café – the BikeBus - situated there, so please pop in to see them), up the hill into Astwood, at a couple of laybys on the A422 and up the drag to North Crawley.

Please be aware that you should not follow riders on the course. If riding a bike or driving then please travel in the opposite direction. Do not spectate close to the start or finish points. Do not approach the timekeepers or marshals as they have to concentrate on the job at hand.

Warming up

Riders should note that there is nowhere closer than the HQ to warm up on rollers/turbo's etc. so please do not try to get closer to the start to do so – anyone found on a turbo in the vicinity of the start or finish areas may be DQ's and liable for further disciplinary action.

Warming up on the road can be done to the south of the HQ. There is a 2.5 mile circuit south towards Salford turning left at the bottom of the hill back towards Cranfield Village, turning left again at the top of the hill past the end of the runway back to the RAB entrance to Cranfield Technology Park and to the HQ.

This event is round 6 of the CTT Knight Composites Classic Time Trial Series

For an up to date look at the points tables for each category please go to the CTT website.

Presentation Ceremony

The presentation of all awards will be made at around 12:30pm, once all results have been checked. It is unlikely a separate women/junior ceremony will be held before this time.

Please ensure you stay to collect your awards at that time, and to cheer on your fellow competitors and award winners. Awards will be made as per the inside cover of this program.

Medals awarded at this ceremony are for presentation purposes only. Please return them immediately afterwards. The proper medals and any trophy won will be awarded at Champions Night.

Champions Night

Champions Night is the annual gala presentation and dinner to celebrate all the award winners of all the competitions run by CTT during the year. All winners, including age group winners, will receive an official invitation to the evening.

Champions Night will be held at the magnificent Heythrop Park hotel in Oxfordshire on Saturday 13 January 2018.
