## **A tough day with some really great racing....**

With the major road works scheme taking place at Shawburch this summer, we were unable to use the customary course of two laps of Prees – Shawburch – Prees with the Lap 1 leg to the Wrexham Road RAB. Options were limited to either the D100/2 Anfield course, the D100/5 which is two legs up and down the A41 to Newport, or to come up with a variant of the D100/3 with two legs to Battlefield and this is what I went for in the end. I wanted to try and stage a different event to the Anfield, and twice down the busy A41 to Newport didn't really sound very pleasant with today's traffic levels.

It was no doubt a tough parcours with considerably more climbing than the Shawburch course. Talking to riders afterwards it seems to be a "Marmite" course – you either love it or hate it. With that in mind, I will canvas riders to get their feedback on what we should do next year if Shawburch is still out of action. I guess the main options will be either to use this course again or move to the Anfield course.

The weather was pretty kind this year, although there was the usual rising south westerly and a rising temperature towards the end of the event. Despite the tougher course, there were some really impressive times set with Derek Parkinson running out eventual winner in 3:46:32 and Victor Chetta taking second with 3:47:47, only 1:15 behind. Matt Stell made up the top three, just missing going under with 4:00:41. Top lady was Rebecca Holland, riding her first 100, with an impressive 4:32:13. The leading team were once again were Liverpool Phoenix CC (Anfield) with no less than 6 riders finishing on the day.

Thank you to all riders for entering the event and I hope we will see you back next year – on whatever course we are able to use!

Congratulations to all prizewinners and to Victor, Jenny and Ian, our 2016 SCCA 100 Mile Champions. Prizes will be posted to all winners in the next couple of days.

Once again the timekeepers, marshals and helpers all did a fabulous job which makes this such an excellent event. Each year I get messages from riders saying that this is one of the best marshalled events and that is all down to the enthusiasm and commitment of all involved.
