Thank you riders & crew for making our Mid-Summer 25 another success. We think we are agreed that the 884b wins over the 885, well you need less marshals & signs, plus the times were very good on an exceptional hot evening. We were disappointed that we had to return forty entries.

Quite a few "club" records were broken so congratulations to the record breakers, also the three women ...a3crg riders broke the "Women's 25 mile Team" South DC Record, well done girls.
