## **Course Details: READ CAREFULLY – THIS IS A NEW COURSE**

We are using this new course to minimise the number of roundabout turns and with an early start to avoid traffic especially on the Evesham bypass. Please ensure you are familiar with these directions. Not all roundabouts (those where you go straight on) will be marshalled but they will be signed. It is the rider's responsibility to know and follow the course.

Start on A46 Stratford to Alcester road in layby adjacent to the entrance to 'Woodedge' at road drain marked with a white line and identified as '25S'

Ride west along the A46 single carriageway to the Services / Travelodge roundabout where turn left onto A46 dual carriageway towards Evesham.

Proceed south along A46 via Salford Priors, Twyford (bearing left), Badsey and Broadway Road roundabouts to turn at Four Pools Retail Park roundabout on the Evesham Bypass.

Retrace along the A46 via Broadway Road, Badsey, Twyford (bearing right), Salford Priors to the Services / Travelodge roundabout.

Continue straight ahead onto the A435 north and via the Alcester South roundabout to the Alcester North roundabout.

Take the third exit towards the Arden Forest Industrial estate. Continue along Arden road to finish at the drain marked with a white line marked as '25F', adjacent to an 'S' bend road sign, and directly opposite the entrance to the Pro Tyres Service Depot (25.01 miles).

To return to HQ – continue along Arden Rd. Turn right at next crossroads. At T junction (mini-roundabout) turn right again into Kinwarton Rd.

Please take care at all roundabouts but specifically the turn at Four Pools, Twyford roundabout (which also has a rising gradient), the return at the Services / Travelodge roundabout (service entrance/exit on your left), and the turn at Alcester North where move to the right hand lane on approach to the turn.
