This was the first year of organising this event after its successful creation by Doug Laidlow. It has been a privilege to run this race in memory of my dad, Nev Crane, who gave such a lot to Sleaford Wheelers and Cycling in Lincolnshire and represented the Country on many occasions. I didn't get the 100 riders that I would have liked to see on the start sheet but I will endeavour to get more next year. For a number of issues we moved the HQ and start this year and I believe that this has worked well. Congratulations to all those that this was their first 25, it's not an easy course but you all did well. We had 20 DNS's this year which is a huge number, I did receive apologies from a few of these riders for which I am grateful for. I thank you all for supporting this Lincolnshire "classic" event. I would also thank the sponsors that have helped make this event the success it is. Congratulations to the prize winners. I hope you will all be back for more. This year the ladies prizes were all sponsored by Chandlers of Grantham, the youth prizes all sponsored by Pedal Pushers of Grantham and the W2 prize was kindly donated by Tri Up Cycling, with Our Chairman, Nige Hurst, donating a prize for nearest male to his time and nearest female to my time. Jean Crane was unable to attend to present the prizes, representing the Crane family was Ben Wright, Nev's grandson who did a grand job of presenting the prizes. My thanks go to all who assisted in the smooth running of this event. Timekeepers, marshals, pushers off, result board, signing-on, sign placement, tea ladies etc. We had some new members taking on many of the roles this year and a big thank you indeed goes out to all who made this event possible. Special thanks must go to Chris Close without his help and guidance this event would not have taken place, thank you once again Chris and to my new husband who not only got up at 4.30am with me to put out signs, then rode but also donated prize money, your support was immense.
