VTTA Standards are not really a "Dark Art", most members (over 40 years old) of the VTТА use their Standard times as a motivation to gain improvement each year & also to chase age records. If you are interested to know more do not hesitate to ask DCB for details.

Once again thank you to all the riders for entering into the spirit of the event and staying for the presentation. Quite a few riders commented that they enjoyed the "idea" of the "Handicap Night", it is an old idea, rarely done these days but it captured a fair bit of interest.

The weather wasn't as damp on the course as the drizzle back at HQ, the tailwind helped a few riders gain "pb's" but a few rear lights still need a power surge, but thank you for using them. Next week (2nd August) is the last event of the year on the P881 Ham Barn Course.
