Safety notes:

- Vehicles of competitors / officials / marshals / helpers to be parked safely and without hindrance to other road users.
- In the interests of your own safety, we recommend that all competitors wear a hard shell helmet and use a working rear light.

Riders:

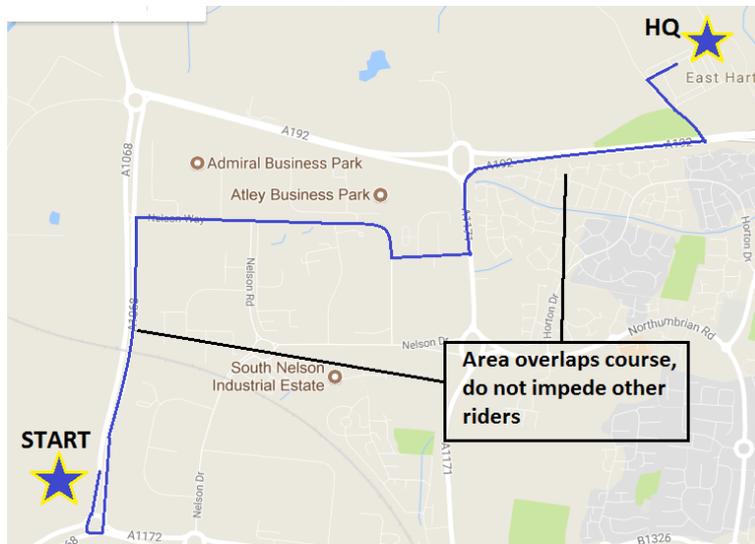

- Take extra care where traffic enters or leaves course by way of slip roads and in the negotiation of roundabouts, particularly at the mini roundabout on the return leg where the A189 joins the A197 where block paving surrounding the roundabout could be hazardous in certain conditions.
- No U-turns to be made in the vicinity of the timekeeper.
- No dismounting in the finishing area.

Additional:

- **Each rider must SIGN IN AND OUT, failure to do so will result in a DNF.**
- Be aware that part of the A189 will be subject to an overnight closure for general maintenance on Saturday 5th August, I have been assured by Northumberland Council that this will be fully open by 6am on the day of the race.
- Please respect local residents around the area of the HQ especially with regards to noise due to the early morning start.
- Please position your body number centrally below the wait to ensure it is visible from the rear whilst in normal riding position
- If you wish to be considered for the road bike BAR and compete for the road bike prize please put an "R" next to your name when signing in and sign the extra sheet provided at sign in.

Directions to Start from HQ

The HQ is approx three miles from the start so please leave plenty of time to get there. Below is the recommended route, please do not impede other riders as the route to the start travels along part of the course and take extra care when exiting the junction at Nelson Way.

“Welcome to South Shields Velo’s 50 mile TT, this is our clubs first TT event and it is fantastic to see so many entries. This type of event needs a driving force behind it and we would like to thank all of those who have helped to make it possible including Sharon Dyson, Peter Mcgrath, Ben Lane and the rest of the N&DCA, North Tyneside Riders, Derwentside Cycling Club, Pedalling Squares, Kirkley Cycles, Pedal Gains, James Dunn, Michael Deacon, our clubs organiser and all of our marshals and helpers on the day. I hope that you all enjoy the day, ride strong, safe and keep your head up”.
