WARNING!!

The RAF station is still in active service, so there is a chance that the event **may be cancelled at very short notice because of military operations**. Please be aware that there may be a late cancellation, but that this is beyond the organiser's control. This will be notified by email and on the BMCC Facebook page as soon as possible.

Getting there: RAF Weston on the Green is just off of the A34, south of Junction 9 of the M40. Use OX25 3TQ in your sat nav.

Safety Notes

You may use the track to warm up from about 18:00. The track must be clear from 18:50. You are welcome to use turbo trainers to warm up in the car park. If you wish to warm up on the road, please take care when leaving RAF Weston-on-the-Green as traffic speeds are high when passing by the entrance.

Whilst racing, please keep to the **right hand side of the track** (even on the left hand bend) unless you are overtaking another rider.

Please take care in front of the grandstand, where a gate post narrows the road on the right hand side of the track. This is marked with a high vis vest.

When you cross the finish line do not just sit up and slow down. There are 2 exits on the left before the first right turn. **Make sure it is clear behind you before exiting the track.**

Do not warm down on the track.

General Notes

Prior to your start time, move to the helipad (marked H on the map), where you can continue your warm up until called to start. Please take care on the concrete paths, particularly if it is wet and please take care crossing the track as other riders may be coming past the start on another lap.

The course is four laps of the perimeter track. The start is by the helipad (H on the map) and proceeds clockwise. Please be careful of the turn at bend 4 - this is fairly sharp as the prevailing wind tends to snatch at your front wheel on the exit of the turn. The finish is about 100 meters **beyond** the start line.
