### From the Organiser

On behalf of the Mid-Devon Cycling Club I would like to congratulate all the prize winners. Looking at the times and the distance then converting into miles per hour it proves that you do not have to ride on a dual carriageway to go really fast.

I have to thank all the club members who turned out to support the event by marshalling, acting as pushers off and especially to Shani and her team in the kitchen. I think that the last person there ate the final sandwich but there was still plenty of cake left over.

As usual the club, along with every other club, is indebted to the timekeepers for without them and their dedication to accuracy we would not have a sport at all. Thank you Caroline, Sally, Phil, Peter, James and Nigel for willingly giving up your time. With your professional approach we had one of the most memorable days in the 86 years of the Mid-Devon Cycling Club.

My final thanks go to the Weather Gods. You certainly laid on the best kind of Devon sunshine.

Ken Robertson
