ACKNOWLEDGEMENTS

What a super day that was - V718 at its most benevolent! The light easterly wind rewarded many with PBs or best LTS and there was even a smattering of age records, so the event claims the title for possibly the fastest VTТА 10 ever!. Congratulations to everyone who achieved the time they wanted and particularly the award winners.

The following beat age records as they stood at 31st October 2016, so may be new records (subject to riders claiming and to ratification):

James Rix - 17:47 at age 41 (men)

Ian Guilor - 18:02 at age 50 (men)

Keith Ainsworth - 19:13 at age 58 (men)

Terry Icke - 20:21 at age 73 (men)

Brian Sunter - 21:08 at age 74 (men)

Lindsay Clarke - 21:59 at age 55 (women)

Richard Dixon & Alex Deck- 18:22 at combined age 104 (mixed tandem)

Thanks to all who helped in any way with this event:

My wife Barbara for ongoing help and support and for deputising at the HQ, Carol Macklam and Tony Stott (sign on/off), John Baker and Gary Shooter (pushers off), John Lancaster (clerk), Josh Dunham (number caller), Nigel and Karen Bennett (result board), Jim Littlefair, Chris Goode, Mike Smith, Mel Bentley and Neal Jackson (all marshals).

Timekeepers Geoff Backshall and Betty Philipson and handicapper Phil Hurt

And the most important tea and cakes team of Adrienne and Aldo Pelosi, Hazel Stott and Barbara.

Special thanks to everyone who donated the beautiful selection of home baking.

Apologies if I have missed anyone but so many people were involved.

Due to my VTТА duties as magazine editor I found myself very short of time for this event as it clashed with the publication period. I think the only thing which suffered was the insatiable appetite of the internet for instant information. For 2018 I intend taking over the July VTТА Yorkshire 10 and Blair Buss will be stepping up to organise this one.

Thanks to everyone for generous donations to refreshments and further donations through the event. This sum of approximately £260 will be forwarded to Yorkshire Air Ambulance.

Mike Penrice – Event Organiser
