Although the skies were bright and clear, a South Easterly wind soon picked up, creating a stiff headwind and providing an extra challenge to those wishing to defy gravity.

I would like to express thanks to all of the entrants for supporting the event and to all of the helpers and marshals for making it possible to run it. All being well, the event will be on the calendar next season, but in the meantime, please make a note that our open SpoCo event; the 25.6mile 'Circuit of Kinder' is on the 15th April 2018.

Our club photographer was out on the course, and photographs are available to view on and download from the Glossop Kinder Velo Flickr account 'GKVCC'
