Event HQ and Sign on

Sign on will be at the **Parish Church Hall (marked with an X below), St Helens Street, Corbridge, NE45 5BE**. We are using **room 1** for the event. There are several car parks in and around Corbridge, and it is free parking on a Sunday. There is very LIMITED parking around the HQ so my advice is to park and ride. There are plenty of streets to park on within a 5 min ride of HQ. Corchester Lane which is the left BEFORE the right turn onto St Helens Street has no parking restrictions and could be used for parking. For those not familiar with Corbridge there is a one way system so please adhere to that. If you are parking, please use common sense and consideration to the residents. After the event please remember to sign off and return your number back to HQ where drinks and light refreshments will be available.

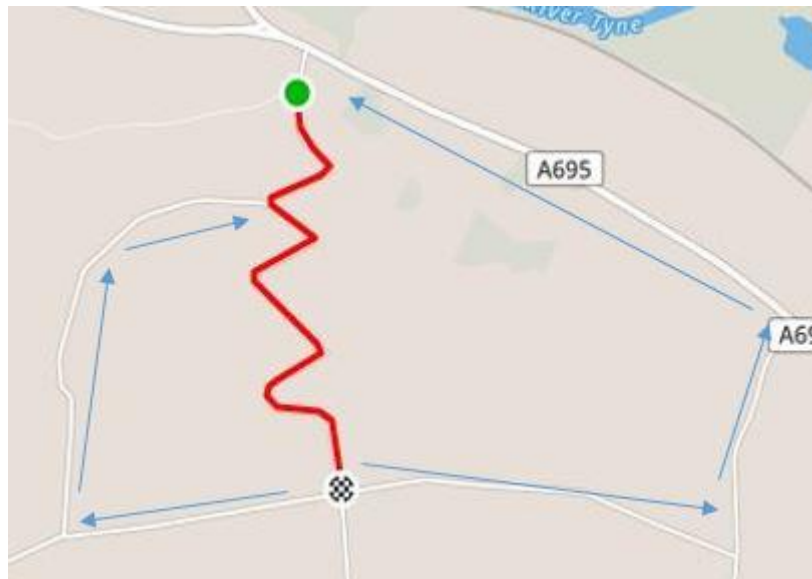

The start line on Prospect Hill (the green dot) is about 5-10 minutes away from the HQ so please give yourself enough travel time ahead of your start time. There are traffic lights on the bridge over the water which could add extra time to your journey.

On Prospect Hill itself, we have informed the residents we are going to be there and they have been receptive to the event. Please ensure that you don't litter and take everything away with you at the end of the event. We want to run this event in future years and want to keep our good relationship with the locals.

Please **DO NOT** cycle down the hill after you have finished your ride. The 2nd half of the climb is tight in terms of road space and there are some blind hairpin bends. If you want to watch some of the event after your effort, dismount from your bike and walk down on the left hand side to ensure you don't impede someone on their effort. If you need to get back to HQ there are two routes available to you, as shown on the map below. You will note that one of the routes takes you back onto the

lower part of prospect hill so make sure you stick tight to the left hand side of the road until you reach the bottom.

Prizes

The prize ceremony will be held back at the HQ once results have been verified. A reminder of the prize categories is below.

Riders are only eligible for one prize with the exception of the team prize. Where a rider qualifies for two prizes, the highest value prize will be awarded.

82kgs and over category

For those wanting to enter this category, you need to indicate this on the start sheet and get weighed at sign on. The scales of truth will be near the sign-in desk and one of our sign-in team will record your weight. The category is just the weight of the rider, and please weigh in minus shoes but preferably wearing clothes. We will be keeping a close eye on competitors to ensure fair play and that nobody is trying to artificially alter their weight. If you are slightly under the weight, you will have a window of time to BULK UP and get a second weigh-in before you head off to Prospect Hill.
