Care at Road Junctions: Riders must exercise care at all junctions. Any competitor whose riding line causes him/her to cross the white line when approaching or leaving a junction will be liable to disqualification from the event and may be reported to the District Committee for further disciplinary action.

Chelford Island: Riders must negotiate Chelford Island in a safe and sensible manner in accordance with CTT Reg. 20 and the rules of the road. Riders must be able to brake and stop at the Island if traffic conditions require this. Riders must **not** approach and encircle the island using tri-bars. Remember – traffic on the island has priority over traffic (including riders) entering it. Any riders seen in breach of this regulation **will** be disqualified from the event and may be reported for further disciplinary action.

Booths Hall Island: in wet weather beware of slippery surface.

In the interests of your own safety – Cycling Time Trials and the event promoters strongly advise you wear a hard shell helmet that meets an internationally accepted safety standard. In accordance with Reg.15 all junior competitors **MUST** wear protective hard shell helmets.

It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active while the machine is in use.

Time keepers: Tony Millington and Gordon Pickering
