And now the Thank You bit.

Firstly to all of you who entered & turned up to ride, we did our best with the weather. Yes it was cold, yes it was windy, but it was sunny, & we got the event over before the sleet showers started. So it could have been much worse, it is still February after all, & you are "Hard Riders"

Thank you to the Time Keepers, Brian Cooper & Mick Wiseman, & Anna Wiseman for processing the results & phoning them through to the Result board. Where Will Shepherd did a great job of writing them up for you all to see.

Thank you to Derek Ricketts for the role of Chief Marshal & getting the many volunteers into the right place with the right equipment. There were too many to name here, but thank you to you all for standing out in the cold wind & making sure that everyone found their way around the course.

Lastly, but possibly the most important for thawing out riders & marshals alike, Sharon & Karen serving the tea & cake. I should also thank the members who baked & donated the cakes, without these I'm sure we wouldn't have the event we have today.

If you enjoyed how we do things here at Ely, you may like to enter our 10 mile event on Sunday 10<sup>th</sup> June. Hopefully the weather will be warmer!

Also the date for next year is Sunday 10<sup>th</sup> February, tell all your friends how much fun it is!

All the best for the coming season,

Martin Holland
