

### Organiser's Notes

Another fine afternoon – the tradition of fine weather for this event continues!

I would just like to say a large thanks to all the people that made the event a great success. That's all the marshals, pushers-off, Timekeepers George Barker and Phil Hurt, Clerk John Lancaster, Sue for the result board, every one who made cakes and helped with the catering, & The De Lacy Motor Club for allowing us to use their club house. Congratulations to all the prize-winners, especially Simon Beldon, and Fiona Sharp who set new Men's & Women's course records!

Thanks again.

Any outstanding prize monies will be in the post shortly.

Hope to see everyone again next year.
