F11/10 (Tring & Aston Clinton by-passes) Course Details

Start on southbound slip road to A41 on the Western Tring junction approximately 40 yards from the start of the slip road.

Proceed along A41 to come off at first slip road (Eastern Tring junction) to

Turn (approximately 2.0 miles) by taking 4th exit out of roundabout and under the A41, going around 2nd roundabout to take 2nd exit back onto the A41 westbound and continue past all junctions to roundabout at end of Aston Clinton by-pass to

Turn (7.87 miles) by taking 3rd exit out of roundabout back along the by-pass, again ignoring College Road junction to

Finish on Buckland slip road 9 yards south-east of manhole cover on grass verge, about 91 yards north-west of (i.e. before) separation of slip road and main carriageway, also about 460 yards north-west of the B489 overbridge.

Finishing riders MUST leave the main carriageway at the START of the exit slip road to B489. Failure to do so will be recorded as DNF and no time given (See graphics on next page).

There must be no parking of motor vehicles on any part of the A41 apart from those of the officials. All parking must be in the HQ car park.

Riders must sign the official signing-on sheet when collecting their numbers and sign off also : those not doing so will be disqualified.

Please return number with all pins to canteen in exchange for a free tea or coffee. You must sign on in advance of your start at the headquarters where you can pick up your number and receive any last minute instructions or warnings.

DO NOT fold numbers at all.

DO NOT use sticky tape (or other sticking methods) to secure the numbers.

Please keep your head up at all times. At roundabouts the traffic coming from the right has priority over you, so please give way. In particular the first one at the bottom of the off slip road does not have good line of sight for traffic coming from the right so please take great care here.

Local Regulation 1. - No U Turns should be made at any time while riding on the public highway.
