Finish – Paul Mephram (VC Elan – Harry Perry Cycles)
John Clegg (VC Elan – Harry Perry Cycles)

Thank you for entering this event. It is run each year as a memorial to Fred Peachey, my father and grandfather to Claire Silvester.

Fred joined the “Gentlemen of the De Laune” in 1952 and worked tirelessly for the Club and our sport in general, until his sudden death in February 1969. Fred served on the De Laune committee undertaking various posts as well as representing the club on the RTTC London South committee, the BCF South East division, the RRA, the Southern RRA and the SCCU. Fred also found time to support all De Laune riders in every aspect of the sport – it didn’t matter to him what type of cycling activity club members participated in, so long as it involved two (or three!) wheels. He promoted this open 25 for many years and, as a mark of respect and to honour his memory, club members provided the perpetual trophy that is on offer today to the fastest rider on scratch.

Numbers will be available in the HQ from 6 am – please sign on before taking your number and remember to return to the hall to sign off before going home. Tea, coffee and cakes will be available at the HQ upon your return.

Please keep noise to a minimum around the hall – it is Sunday and the local residents may not want to be up as early as you. Remember to remove your cycling shoes before entering the hall.

Rider feedback forms will be available at the HQ by the signing on area. Marshals and riders are encouraged to submit their comments accordingly, with regard to improving the safety of the course. Please hand them to the promoter or any member of the De Laune CC at the event.

In the interests of your safety Cycling Time Trials and the event promoters strongly advise you to wear a hard shell helmet that meets an internationally accepted safety standard. In accordance with Regulations ALL riders under the age of 18 MUST wear a recognised protective hard shell helmet.

It is recommended that a working front and rear light, either flashing or constant, is fitted to your machine in a position visible to other road users, ensure that it is active whilst the machine is in use.

No rider should use a turbo trainer or rollers in the HQ parking area or adjacent roads, and you will be asked to stop using them if found doing so. Failure to comply with this request risks disqualification from the event.

Riders should be aware of Regulation 16 which states ‘the number should be centrally positioned below the waist so as to be clearly visible from the rear when in the normal riding position’. A missed number by the timekeepers could result in a missed time for you.

Please remember to keep your head up at all times and enjoy your ride.
