Thank you all for supporting this event and congratulations to prize winners. Although bright and sunny, conditions were not fast due to warm temperatures and a stiff east wind. So a big congratulations to Ben Norbury for his win with an improvement of 17 seconds on his time last year.

Spare a thought for Tony Peach who was taken to hospital after a car turned right in front of him causing an accident. He is severely knocked about with a fractured leg and collar bone. I am sure we all wish him a speedy and full recovery.

I would like to say a very big thank you to all the Marshals, Timekeepers, Headquarters officials and Catering ladies for giving up their Saturday afternoon to support the event. Many riders commented on the high standard of marshalling and the fantastic cakes and iced water!

A Giro aero helmet and a pair of small black track mitts were left behind. Please contact me to claim your belongings.

I hope to see you all again next year.

Kind regards
David
