NOTE One Rider, one prize, except Team Award. This event qualified for the Cheshire Points Series (event 9 of 20).		

Congratulations to all the prize winners and everyone who set a PB on the day. Of note is Simon Wilson's ride, not only in winning the event overall but also knocking another 12s off the course record set last year in this very event. Actually just 0.94 of a second prevented this being the first 49 minute ride on the J2/9, something I think many of us would never have seen coming (well, at least, those of us of a certain age group).

Prizes will follow in the snail mail.

My sincere thanks to all those who helped on the day:

- Members of the Salford Cycling Club
- Graham Lawrence & Tony Millington for timekeeping.
- Martin Jackson for helping with the finish timekeeping and results relay.
- Kath Jackson & Heather West for sorting out the refreshments.

Have a safe and fast remainder to the season and I'll hopefully see you in the near future ☺

On a final and very positive note I'm pleased to say that no riders were brought to my attention (or the M&DTTA for that matter) for any infractions relating to the local or national regulations. Compared to last year that is a definitive step in the right direction; long may it continue. Thanks you to all the riders on the day.
