- No warming up on the course after 1st rider has started (07:00am).
- Please observe the Highway Code. Ride with your head up. Do not “White Line” and wear bright clothing.
- Advice to all competitors – from general notes – CTT and the organisers strongly recommend all riders wear a hard shell helmet manufactured to a suitable standard.
- It is recommended that a flashing or constant rear light be fitted to the bike in a position clearly visible to following road users.
- Event riders waiting to start must do so before the timekeeper and stand in single file. Officials must not seek to regulate or interfere with other traffic.
- Paced and Company Riding – Time Trialling for Beginners states that “When a competitor gets caught by another rider the regulations require the overtaken rider to fall back to a distance behind the other rider of at least 50 yards.

Keep your head up and have a safe fast ride!
