### **Directions from the HQ to the Start:**

Turn LEFT out of the HQ and proceed along Hillbrow Road. You will find yourself going up a mountainous incline and wishing that you hadn't bothered wasting all that time on your turbo. Just as your legs/lungs/retinas are about to burst you will reach the junction with the B2070 at the top. TURN LEFT onto the B2070 and proceed until you see the START on the right hand side of the road. DO NOT TURN HERE. Proceed northwards along the B2070 until out of sight of the start, turn when safe to do so and gently spin to the start area conserving as much energy as possible.

### **Directions from the Finish to the HQ:**

Having used your last remaining breath to call out your race number to the timekeepers, proceed to the Princes' Bridge roundabout and take the second exit. Turn immediately LEFT onto ANDLERS ASH ROAD. Follow this road to the end and turn LEFT onto Hillbrow Road. The HQ is about 50 yards down the road on the RIGHT.
