## Special Notice:

Riders, please do not leave it until the last moment to enter the slip road at the Madingley end of the course.

This causes confusion to motorists and increases the chance of an accident, besides making all cyclists unnecessarily unpopular and risking the course being unavailable in future.

Note also the "no cycling" signs on the main carriageway after the slip road – this means that it is illegal to continue beyond the slip road!

I've measured the two paths and the green course is actually five metres shorter than the naughty red one – that's worth half a second!

We hope you enjoy the event and look forward to seeing you on the day.
