The event HQ is at the Frank Whitham Hall, Etwall near Derby. There is very limited parking at the hall and so riders should park at the school, which will be signed. No parking in the lanes leading to the HQ and definitely no turbos there either. Numbers and signing on will be at the HQ. Do not forget to sign off when you have finished your ride.

No U-turns to be made within sight of the timekeepers.

Cycling Time Trials advise the wearing of a hard shell helmet that meets internationally safety standards. They also recommend that a working rear light is fitted to the machine in a position visible to following road users, and is active whilst the machine is in use.

The start is back along the road towards Derby a short distance.
