My sincere thanks to the sixteen City Road Club members who opted to help with this event rather than watch the England match. To all those who rode my thanks and congratulations on some solid rides on a tricky evening. The V714 is now our only local course for 10 mile events and those clubs still willing to promote events need your continued support to justify our efforts. Please spread the word. The next City Road Club event is our annual Grand Prix Two Up TTT on Sunday September 23<sup>rd</sup>. Get your partners sorted and come along to enjoy another CRC Hull promotion.
