And Finally:

A massive thank you to everyone who helped Saturday's event come together; I literally couldn't have done it without you. It was a steep learning curve but well worth it in the end. A very special thanks to our tech wizard Tim Tranter for organising the results and making it possible for me to get this out to you as quickly as possible after the event. You took so much of the stress away on the day and I am eternally grateful for that.

Thanks to everyone who donated to CLIC Sargent in exchange for refreshments at the HQ. We raised £69 on the day and the remaining cakes have been "donated" to the charitable souls at Newsquest Midlands to hopefully polish them off and raise a few more pounds. I shall also be donating my £10 prize money to the charity.

Thank you so much for attending our time trial this weekend. We hope to see you again next year. Next year I hope to run a separate women's and men's event and it will be scheduled so as not to conflict with the Upton Triathlon! I welcome any feedback regarding whether a morning or afternoon event would generally suit people better.

This was my first time running an open TT (and from the Club's perspective the first one in several years). If there is anything you think we could have done better or that could have gone smoother on the day please let me know – all constructive criticism welcomed. I will also work on my public speaking skills ahead of next year 😊
